About the artist

I'm a software engineer. Basically, I'm computer geek who loves to solve problems. I have been developing software for the last 25+ years but have recently rekindled my love of music.

Many of my scores are posted with individual parts and matching play-along however, this is not always practical. If you would like individual parts to any of my scores or other specific tailoring, please contact me directly and I will try to accommodate your specific needs.

Comment:

César-Auguste-Jean-Guillaume-Hubert Franck (1822 -- 1890) was a composer, pianist, organist, and music teacher who worked in Paris during his adult life. He was born at Liège, in what is now Belgium (though at the time of his birth it was under the Netherlands' control). In that city he gave his first concerts. He studied privately in Paris from 1835, where his teachers included Anton Reicha. After a brief return to Belgium, and a disastrous marriage, he moved to Paris in 1842. (more online)
