#### About the artist

Henry Pool is born on June 12, 1939 in Amsterdam, Netherlands, as the second of four siblings, all boys. His family suffered with the rest of the Dutch nation the horrors of the Second World War. After the war he went to elementary school, high school and teachers? seminary. He worked seven years as a teacher in Amsterdam, then emigrated to Israel. After a short sojourn in kibbutz Sha?alvim he joined begin 1967 a Rabbinical College in Netivot. In 1969 he married Lilette Sroussi, a girl from Paris, France, who emigrated to Israel in 1968. During the years the couple has been blessed with five children. In 1974 they moved to Jerusalem, where he started to work as a graphic artist. In 1988 they emigrated to the USA, where they still live, now as American citizens. In the USA he worked as a computer operator. In 2004 he retired.

Though his career as a composer hasn?t been an easy one, he managed over the years to rise to the level of a professional composer. Beside one year (at age 8) of piano lessons he never got any training. He has taught himself and learned by playing the piano, studying the compositions of the masters, going to concerts, listening to classical radio and recordings and from exploring books on composition, harmony, counterpoint, orchestration, etc..... ## She Walks In Beauty

by Lord Byron & Henry Pool

She walks in beauty, like the night Of cloudless climes and starry skies; And all that's best of dark and bright Meet in her aspect and her eyes: Thus mellowed to that tender light Which Heaven gaudy day denies.

She walks in beauty, like the night With all that's best of dark and bright. She walks in beauty, like the night With all that's best, with all that's best, with all that's best of dark and bright.

One shade the more, one ray the less, Had half impaired the nameless grace That waves in every raven tress, Or softly lightens o'er her face; Where thoughts serenely sweet express How pure, how dear their dwelling-place.

She walks in beauty, like the night With all that's best of dark and bright. She walks in beauty, like the night With all that's best, with all that's best, with all that's best of dark and bright.

And on that cheek, and o'er that brow, So soft, so calm, yet eloquent, The smiles that win, the tints that glow, But tell of days in goodness spent, A mind at peace with all below, A heart whose love is innocent!

She walks in beauty, like the night With all that's best of dark and bright. She walks in beauty, like the night With all that's best, with all that's best, with all that's best of dark and bright.
