About the artist

I'm a software engineer. Basically, I'm computer geek who loves to solve problems. I have been developing software for the last 25+ years but have recently rekindled my love of music.

Many of my scores are posted with individual parts and matching play-along however, this is not always practical. If you would like individual parts to any of my scores or other specific tailoring, please contact me directly and I will try to accommodate your specific needs.

| Comment: | During the eighteenth century, the Methodist revival and puritanical reforms nearly obliterated Welsh folk song. Some secular songs were lost altogether, but enough survived to reflect the old traditions, and folksong periodically flourished during subsequent eras. Little is known about this early Welsh tune. |
